Dear Heinrich, 15 Sep

Bergheil vom Bawaria!

I have been visiting climbing friends here and climbing in the Dolomites - The weather in the northern slopes has been very bad. The weather in the Dolomites was cold, but we climbed every day. I also got to visit with Anderl + Trudi Heckmaier - they send their greetings. I got your last letter just before I left - I'll write again when I get home. Best regards - Fred
