Dear Mr. Harrer,  
Sorry I do not speak your language. Are the men in the photographs  
known to you. I have found a roll of film amongst my father's  
photographic equipment, which we have had for 40 years! It shows a  
Himalayan expedition, and it might be pre-war. Certain features  
suggest it could be German / Austrian.  
My e-mail address is- [willevans@ukonline.co.uk](mailto:willevans@ukonline.co.uk)

Regards

Will Evans
